Campus Traffic Alert
June

Tiger Transit Stop at West Garage to close starting Monday June 23. Will re-open August 22

Starting on Monday, June 23, the Tiger Transit stop at the West Garage will be closed due to construction of the Princeton University Arts and Transit project. During the closure, Tiger Transit riders who park in the West Garage can use the Tiger Transit bus stop at Bloomberg Arch on Elm Drive or the Tiger Transit Stop in Lot 16/23.

Pedestrians will be able to enter and exit the garage at the northeast corner (adjacent to the elevator / stair tower) near Baker Rink and Pyne Drive for campus access. Please use caution and follow posted signage, as there will be construction activity in the area.

The access road on the west side of the West Garage will be closed to all vehicular and pedestrian traffic during this time; additionally, there will be construction at the north side of the garage. The West Garage will remain open; and vehicular access to and from the south end of the garage will not be impacted.

It is expected that the Tiger Transit stop at West Garage will re-open on Friday, August 22. Updated maps showing vehicular and pedestrian detours are available on the Transportation and Parking Services [website](#).

If you have questions please [email](#) or call 609-258-8023.
