Washington and Faculty Road Intersection

On Monday, August 26th the Mercer County paving project will continue with paving of the intersection of Washington and Faculty roads. This work will be done between the hours of 9:30am and 2:30pm. The County will maintain one lane of traffic through the intersection while conducting this paving.

It is possible, if not completed on Monday, the crew may return on Tuesday during the same time period to complete the paving of the intersection.

Expect delays on Washington Road and Faculty Road during this time period and, if possible, plan an alternate route.

Donald P. Reichling
