Updated: Campus Safety Alert

This notice is to advise you of an incident that concerns the University community

Date: Monday, Nov. 17, 2014

Incident: Lewdness incident

The Department of Public Safety is alerting community members of a reported incident of lewdness that occurred in the lounge outside Chancellor Green Library on campus.

At approximately 4:10 p.m. a student reported that an unknown male, between late 50's to early 60's in age, was masturbating in the lounge outside Chancellor Green Library. The suspect is light complexioned with long white hair, and dry rough skin. He was wearing a dark colored beanie and a dark green or black jacket, and he was carrying some bags. He did not approach the victim or speak to her. The victim left the area and the suspect left shortly afterward. The victim notified the Department of Public Safety but the suspect could not be located in the area. The investigation is ongoing.

We remind all community members of our general crime prevention tips listed on our website, <http://publicsafety.princeton.edu/safety-security/tips>, including:

- Report suspicious activity immediately.
- When running in isolated areas run with a friend.
- If you must remain in a building after hours, use the buddy system when leaving.
- Stay alert and tuned in to your surroundings. Be aware and prepared.
- Stand tall and walk confidently; do not show fear.
- Trust your instincts, and if you do not feel comfortable in a place or situation, leave.

The Federal Clery Act requires that universities with a campus public safety agency must, in a manner that is timely and will aid in the prevention of similar crimes, report to the campus community crimes that fall into certain categories and that are considered by the university to represent a continuing threat to the campus community. The Department of Public Safety refers to these notices as "Campus Safety Alerts." This Campus Safety Alert is issued according to this requirement.

- Emergency: 9-1-1 on campus or (609) 258-3333 off campus or cell phones
- Non-emergencies: (609) 258-1000
