Princeton Fire Department Drill in Lot 7 Garage on June 11

On Wednesday, June 11 members of the Princeton Fire Department will be performing a drill in the Lot 7 Garage between the hours of 9:00 a.m. and 12 noon.

The University is providing this notice to members of the campus community so that it is clear that the emergency vehicles and responders in that area on Wednesday morning are there for a drill and not an actual emergency event. There will be at least one fire truck parked on the east side of the Lot 7 Garage during the drill.

Parking in the garage, and access into and out of the garage, will be available through the duration of the drill.

Should you have any questions, please contact Captain Don Reichling, Department of Public Safety, at 8-9701 or donaldr@princeton.edu
